Entrance 1: CITY OF GOD

Awake from your slumber!
Arise from your sleep!
A new day is dawning for all those who weep.
The people in darkness have seen a great light.
The Lord of our longing has conquered the night.
Let us build a city of God
May our tears be turned into dancing!
For the Lord, our light and our love.
Has turned the night into day.

We are the sons of the morning we are the daughters of day.
The One who has loved us has brightened our way.
The Lord of all kindness has called us to be
A light for his people to set their hearts free.

Let Us Be Bread

Let us be bread, blessed by the Lord,
broken and shared, life of the world.
Let us be wine, love freely poured.
Let us be one in the Lord.

1. I am the bread of life, broken for all.
Eat now and hunger no more.

+++++

Oh, the love of my Lord is the essence

- Oh, the love of my Lord is the essence of all that I love here on earth.
All the beauty I see he has given to me and his giving is gentle as silence.
- Every day, every hour, every moment have been blessed by the strength of his love.
At the turn of each tide he is there at my side, and his touch is as gentle as silence.
- There've been times when I've turned from his presence, and I've walked other paths, other ways.
But I've called on his name in the dark of my shame, and his mercy was gentle as silence.

Walk in the Light

Let's all join together in communion sweet,
Walk, walk in the light,
and love one another till our Saviour we meet,
walk, walk in the light
walk in the light (3)
walk in the light of the Lord.

The Spirit lives to set men free,
walk, walk in the light,
He binds us all in unity,
walk, walk in the light.

What a Friend We have In Jesus

What a friend we have in Jesus,
All our sins and griefs to bear.
What a privilege to carry,
Everything to God in prayer.
O, what peace we often forfeit,
O, what needless pain we bear,
All because we do not carry,
Everything to God in prayer.

Have we trials and temptations,
is there trouble anywhere,
We should never be discouraged,
Take it to the Lord in prayer.
Can we find a friend so faithful,
Who will all our sorrow share,
Jesus knows our every weakness
Take it to the Lord in prayer.

O Lord my God

- O Lord my God, when I in awesome wonder consider all the works thy hands have made.
I see the stars, I hear the rolling thunder,
Your power throughout the universe displayed.

Refrain:

Then sings my soul, my saviour God to thee:
How great thou art, how great thou art! (2)

- And when I think that God, his son not sparing,
sent him to die, I scarce can take it in.
That on the cross, my burden gladly bearing,
he bled and died to take away my sin.
- When Christ shall come with shout of acclamation
and take me home, what joy shall fill my heart;
When I shall bow in humble adoration and there
proclaim: My God how great thou art!

Holy God, we praise thy name

Holy God, we praise thy name;
Lord of all, we bow before thee!
All on earth thy sceptre own,
all in heaven above adore thee.
Infinite thy vast domain,
everlasting is thy reign.

Hark! the loud celestial hymn,
angel choirs above are raising;
cherubim and seraphim,
in unceasing chorus praising,
fill the heavens with sweet accord,
holy, holy, holy Lord.

Holy, Father, holy son,
Holy Spirit, three we name thee,
while in essence only one
undivided God we claim thee;
and adoring bend the knee,
